

AN EVENING FOR LIFE

ANNUAL FUNDRAISING EVENT

TO SUPPORT PREGNANCY AID CLINIC

SUNDAY, SEPTEMBER 26, 2021

Join us Sunday, September 26, 2021 at 6PM at the Georgia Aquarium for An Evening for Life Annual Fundraising Event to support Pregnancy Aid Clinic.

This year we celebrate how God's great light can overcome darkness in all situations. PAC is inspired to shine His light into our client's "darkness" to support life-honoring decisions and healing from past wounds.

The Pregnancy Aid Clinic (PAC) mission is to protect life and enlighten families to their God-given dignity. We help women and families make decisions, presenting the face of God through love, respect and compassion without judgement.

Since 1984, it is our joy to remove obstacles to choosing life by providing education, medical services and advocacy to our clients and their families. We bring hope to pregnant mothers who feel powerless. We bring skills and confidence to new parents who are unsure of their abilities. We show love to people who feel invisible and incapable of giving love themselves. And we show people a path towards God's great mercy to heal from past traumatic decisions.

Featuring:

- Keynote speaker: Doctor of obstetrics and gynecology, **Dr. William Lile, DO**
- Beautiful stories of **PAC clients** who have overcome the darkness of this past year and are growing in God's light
- A cocktail hour under the sea in the world's largest aquarium
- And more!
